## School-based Learning Activity of Chinese Culture

### Display Form

School: TWGHs Tin Wan (1996-1997 Directors) Kindergarten

2022-2023 School Year

Grade Level: K3

### Name of Activity

Blue and White Porcelain

### Objectives

- Introduce the enchanting realm of traditional Chinese art, with a focus on the exquisite craft of blue and white porcelain.
- Cultivate the appreciation for different forms of cultural art.

### Brief Description

In thematic world of the "Hamburger and BBQ Pork Bun" story, our teachers introduced intricate blue and white porcelain patterns. During group activity sessions, children were invited to paint different patterns on bowls and plates, channeling their imagination into their artistic creations.
