2022-2023 School Year

Grade Level: K2

Name of Activity

Making Traditional Chinese New Year Food: Sweet Dumplings

Objectives

- Introduce traditional Chinese New Year delicacies.
- Cultivate children's creative thinking ability.

Brief Description

We began the activity by discussing the date of the Chinese New Year and asking students about the traditional foods associated with Chinese New Year. During group activities, students made their own sweet dumplings and had the opportunity to proudly present their creations to the rest of the class.
