## School-based Learning Activity of Chinese Culture

### Display Form

School: TWGHs Tin Wan (1996-1997 Directors) Kindergarten

2022-2023 School Year

Grade Level: K2

### Name of Activity

Visiting Lai Chi Kok Park – Lingnan Garden

### Objectives

- Explore the fascinating world of ancient Chinese architecture.
- Cultivate an appreciation for the artistic intricacies and cultural heritage embodied in traditional Chinese buildings.

### Brief Description

Through the picture book "King who Loves to Stamp", students developed an interest in the unique architecture of ancient China. Following this introduction, our teacher led the children to visit Lingnan Garden in Lai Chi Kok Park. To deepen their understanding and enhance the educational experience, we provided each child with a parent-child activity worksheet.
