

# Kindergarten Education Scheme

## School-based Learning Activity of Chinese Culture

### Display Form

School: TWGHs Tin Wan (1996-1997 Directors) Kindergarten

2022-2023 School Year

Grade Level: K2

### Name of Activity

Dragon Boat Racing and DIY for the Dragon Boat Festival

### Objectives

- Introduce the traditions and customs of Dragon Boat Festival, including eating rice dumplings and participating in dragon boat races.
- Strengthen children's lower limb strength.

### Brief Description

We played some footage from the Aberdeen Dragon Boat Race and asked our students if they have ever seen such a thrilling event. We invite an auntie to demonstrate the art of wrapping rice dumplings, deepening our children's understanding of the traditional customs. On the day of our celebration, 14 students, accompanied by our teachers, gather in the multifunctional activity room to engage in an exhilarating dragon boat race. Utilizing the "scooters" as a physical fitness apparatus and accompanied by the rhythmic beats of "Dragon Boat Race" music, this activity infused a festive atmosphere into our day. Another group of 14 students designed Dragon Boat Festival-themed artworks in the classroom. The two groups switched places, allowing each child to become familiar with different aspects of Chinese festival traditions through engaging activities.

### Record of Activity (E.g. Children's Work / Photos / Videos of the activity)
