K2

Grade

Name of Activity

Chinese New Year Mass Greeting

Objectives

- Learn about traditional customs in Chinese New Year (mass greeting)
- Encourage children to speak auspicious words

Brief Description

After children understood the traditional Chinese New Year customs, the teacher and children conducted a mass greeting. Before the game began, the teacher prepared the red envelopes with auspicious words, and then led the children to greet with the principal, teachers and staff members. In the process, children also learnt about the etiquette of Chinese New Year custom introduced by the teacher, and spoke auspicious words and bow politely during mass greeting.
