

# Kindergarten Education Scheme

## School-based Learning Activity of Chinese Culture

### Display Form

TWGHs Tin Wan (1996 - 1997 Directors) Kindergarten

**School Name**

2023-2024

**School Year**

K3

**Grade**

**Name of Activity**

Chinese New Year Lantern

**Objectives**

- Children make festive lanterns for Chinese New Year through paper-cutting and ink painting
- Strengthen children's understanding of traditional Chinese culture

**Brief Description**

Through the picture book *Journey of Time* and children's search for the number of lanterns in the book, the teacher allowed children to understand the relationship of Chinese New Year with lanterns, and then asked the children to design a festive lantern. Then the teacher and children had a lantern party and displayed the lanterns in the school to create a festive atmosphere of Chinese New Year.

**Record of Activity** (e.g. Children's Work / Photos / Videos of the activity)
