Name of Activity

Let's write spring couplets!

Objectives

- Learn about Chinese New Year celebrations
- Encourage children to participate in Chinese New Year celebrations

Brief Description

Teacher shared the story of the picture book *Journey of Time* with children. Through asking questions and presenting the patterns in the book, children were encouraged to observe Chinese New Year decorations so as to present the appearance and blessing words of the couplets. Then the teacher instructed the children to think about the blessings and wrote on the gold paper.
