Name of Activity

Chinese New Year Festive Lanterns

Objectives

- Understand that lanterns are Chinese New Year decorations
- Strengthen children's skills of creating flowers with light clay through "rubbing" action

Brief Description

Teacher provided light clay for children to design festive lanterns. They could understand the traditional meaning of Chinese New Year citrus and Chinese New Year flowers. After the completion of the creation, the teachers invited all students to hold lanterns in front of the school gate to enjoy the Lantern Party.
