Name of Activity

Guessing lantern riddles with fun

Objectives

- Learn about the custom of guessing lantern riddles during Chinese New Year
- Enhance children's confidence

Brief Description

Through the picture book *Journey of Time*, the teacher and children worked together to find how many lanterns appear in the book. The teacher asked children to understand the relationship between Chinese New Year and lanterns, and then asked children to guess the use of lanterns and understood the custom of guessing lantern riddles during Chinese New Year. Then the teacher led the children to the multi-purpose activity room to play riddles game. All winning children received a small gift.
