

Kindergarten Education Scheme

School-based Learning Activity of Chinese Culture

Display Form

TWGHs Tin Wan (1996 - 1997 Directors) Kindergarten

School Name

2023-2024

School Year

K2

Grade

Name of Activity

Buckle pairing

Objectives

- Understand the characteristics of traditional Tang suit (embroidery patterns and buckles)
- Cultivate children's attitude of appreciating Chinese culture

Brief Description

In the theme activity, the teacher displayed a Tang suit and observed the embroidery patterns on the Tang costume with children. Then the teacher invited children to carefully observe the features (buckle) on the Tang suit other than embroidery patterns. The teacher shown the actual buckle and introduced different styles of buckle to children. Finally, teacher invited children to try to tie different buckles during group time.
